The Governing Body is actively seeking applications from strong all-round practitioners for a full-time class teacher from April 2024, at an exciting time of the school joining the Bath and Wells Multi Academy Trust. This post would be suitable for someone with a desire to engage and positively impact children in primary education. Applicants may be wishing to develop their skills and career within a supportive, small village school.

We are looking for someone who:

- is passionate about primary teaching and learning
- is a positive, reflective practitioner, with secure subject knowledge and a 'can do' attitude
- has high expectations of learning behaviours and is keen to work and support all children
- is committed to providing a rich curriculum so each child experiences life in all its fullness
- is supportive of the distinctive Christian ethos of our church school
- may have the potential to develop as a leader, that will in turn inspire colleagues and children to achieve

- The chance to work with great children: they are kind, motivated and reflective learners
- You will be joining a creative, dynamic and inclusive staff team where collaboration allows all to thrive
- A whole school curriculum that balances the opportunity to create and plan inspirational learning as well as the use of high-quality prepared schemes
- A reflective team with a range of experience, who are supportive and make changes to encourage a positive work-life balance
- A full-time enthusiastic Learning Support Assistant to help meet the needs of all children
- Blocked PPA time (1/2 day each week)
